8. The Implementing Agencies may exceed these targets if SC/ST population in the respective states is more than the said percentages. The Implementing Agencies under MIDH should identify the SC/ST/Women beneficiaries first among other beneficiaries to achieve the prescribed targets and they should report the same in their monthly progress reports and post the data on the MIDH website. For NHM and HMNEH states, they will continue to post the data on NHM and HMNEH website also.

9. As per PWDs (Persons with Disabilities) Act, 1995, 3% of the plan outlay be made for Persons with Disabilities. Effort should be made to accord priority to Persons with Disabilities in the implementation of the Scheme.

10. The responsibility for ensuring flow of subsidy/benefits to the above targeted groups solely lies on the State Horticulture Missions, State Designated Agencies, National Level Agencies and other Implementing Agencies. However, progress in this regard will be monitored by DAC & FW.

11. The implementing agencies viz, NHB, CDB, CIH, DCCD, DASD are directed not to commit expenditure/liability beyond the approved allocation, as conveyed vide this Administrative Approval.

12. The funds would continue to be transferred to states through the Consolidated Fund of the State concerned (treasury route). To ensure smooth flow of funds and implementation of programmes, the structure of societies/agencies involved in implementation of MIDH including different sub-schemes will continue. Transfer of funds to states will be through CFS/Treasury Route from Central Ministries in the first instance. In such cases, the societies would receive total funds (Central Share received + State Share) from the State treasuries. This system will continue till a final decision on retention or otherwise of the society structure is earlier.

13. This Administrative approval issues under powers delegated to Ministries/ Departments with the concurrence of Head of the Programme Division of this Department.

Yours faithfully,

(M.K. Mishra)
