6. As per Government Policy, all the State Horticulture Missions (SHMs)/State Governments implementing NHM, HMNEH and PMDP components of MIDH scheme will ensure that the Plan Allocation be earmarked for Scheduled Castes and Scheduled Tribes farmers/beneficiaries as per percentage population in the respective states under Scheduled Caste Sub Plan and Tribal Sub Plan respectively as per population census of India. Further, SHMs/State Governments will ensure that 30% of Plan Allocation be earmarked for Women beneficiaries/farmers. Efforts should be made to ensure gender equity in selecting beneficiaries.

7. NHB, CDB, CIH, DCCD, DASD components of MIDH scheme and National Level Agencies implementing this scheme will earmark 10% of allocation compulsorily for North Eastern States and ensure that -

- (i) 16.6% of Allocation is earmarked for Scheduled Castes farmers/beneficiaries under Scheduled Caste Sub Plan (SCSP),
- (ii) 8.6% of Allocation is earmarked for Scheduled Tribes farmers/beneficiaries under Tribal Sub Plan.
- (iii) 30% of Plan Allocation is earmarked for Women beneficiaries/farmers. Efforts should be made to ensure gender equity in selecting beneficiaries.

8. While maintaining the overall targets given in para 7 above, the Implementing Agencies may exceed these category-wise targets for individual states, if SC/ST population in the respective states is more than the said percentages. The Implementing Agencies under MIDH should identify the SC/ST/Women beneficiaries first among other beneficiaries to achieve the prescribed targets and they should report the same in their monthly progress reports and post the data on the MIDH website. For NHM and HMNEH states, they will continue to post the data on MIDH website and on HORTNET/DBT portal also.

12. The funds would continue to be transferred to states through the Consolidated Fund of the State concerned (treasury route). To ensure smooth flow of funds and implementation of programmes, the structure of societies/agencies involved in implementation of MIDH including different sub-schemes will continue. Transfer of funds to states will be through CFS/Treasury Route from Central Ministries in the first instance. In such cases, the societies would receive total funds (Central Share received + State Share) from the State treasuries. This system will continue till a final decision on retention or otherwise of the society structure is earlier.
