**National Beekeeping and Honey Mission (NBHM):**

National Beekeeping & Honey Mission (NBHM) is a Central Sector Scheme approved by Government of India under Aatma Nirbhar Bharat Announcement for overall promotion and development of scientific beekeeping & to achieve the goal of "Sweet Revolution". NBHM is implemented through National Bee Board (NBB). The main objective of scheme is to strengthen the beekeeping industry in the country by promoting pollination support through beekeeping for improving quality and increase in yield of Agri./ Horti. produces, increasing production of honey & other beehive products, developing infrastructural facilities for beekeeping and R&D.

There are 3 Mini Missions under NBHM: **(i) Mini Mission-I:** will concentrate on production & productivity improvements of various crops by promoting adoption of scientific beekeeping by the farmers/ beekeepers. Thrust will be given on setting up of Integrated Beekeeping development Centre (IBDCs)/ CoEs on Beekeeping at district/ division/ state and national level, HRD/ capacity building, empowerment of women through Beekeeping, development of infrastructural facilities, training centres/ institutes, honey testing labs, custom hiring centres, Api-therapy centres, nucleus stock, bee breeders, etc.; **(ii) Mini Mission-II:** will concentrate on post-harvest management of beekeeping/ beehive products, including collection, processing, storage, marketing, value addition, etc. with thrust to develop requisite infrastructural facilities for these activities; and **(iii) Mini Mission-III:** will concentrate on Research & Technology generation for different Regions/ States/ Agro-Climatic and Socio-Economic conditions.

For PMU under NBHM following technical experts/ consultants on contract basis are required urgently:
